

The Jury Hub

- View all juror and status information in one location
- **One-click** access to all functions pertaining to a juror
- Double-click juror’s name to easily update, i.e., “mileage to the courthouse” or “address changes”
- **One-click** to Add/Edit jurors
- Take roll call in the courtroom or back at your desk

- **Flexible searches** – i.e., search by Service Date
Pull up a group of jurors by their service date and mark their attendance for each court date.

Custom Jury documents (PC JIMS Courts Document Generator/Notice Generation required)

Stop purchasing Jury Summons and start producing your own custom summons/questionnaires. Print in batch for any jury panel.

Reports

Use your PC for easy View & Print.
Reports can be saved to PC for future retrieval.

Pricing

Get started with a PC JIMS JURY base license.
